RE: Recommendation of Award
Earlham Elevated Storage Tank Design
City of Earlham, IA

Dear Gary:

Three (3) bids were received on 10/3/2019 for the above referenced project. A Tabulation of Bids, including an Engineer's Opinion of Probable Cost, is included for your use.

We recommend that the City of Earlham consider the proposals and award the Contract to Maguire Iron Inc. on the basis that they are the low bid price of \$1,317,000.00. This award is subject to submittal of acceptable bonds, insurance and other requirements of the City of Earlham.

This bid consists of the following general scope: Demolition of a 50,000 gallon elevated water storage tank, construction of a new 200,000 gallon pedesphere elevated water storage tank and related site improvements.

Please contact our office of the award decision and we will proceed with obtaining the agreement, bonds and insurance.

We look forward to working with you on this project. Please call or email if you have any question or comment.

Sincerely,

SHIVE-HATTERY, INC.

Tami L. Wilcox, P.E.
