Vicki Halamar came to city hall on July 20, 2018. Her grandson left the house running on July 4, 2018. They have asked if the city would be willing to reduce the charges of the sewer costs. The sewer charges were \$127.99 this month and on an average they are \$19.64 each month. I am requesting a \$108.35 credit on their bill for next month. They have paid their bill in full and I have not had a request from them for this in the 6 years I have been here.
