This coverage is offered as one of several services to your city and is available through your membership with the Iowa League of Cities.

Please use the following table to determine the cost for each coverage class. The cost illustrated is the annual premium and will cover the enrolled person from January 1, 2023, through December 31, 2023 - If the enrollment documents are received by TrueNorth® on or before **December 31, 2022**.

NO ENROLLMENTS WILL BE ACCEPTED AFTER MARCH 1, 2023.

Coverage Class	Annual Premium	Coverage Provided
I - (Single Coverage)	\$13.30	\$20,000 on member
II - (Employee & Spouse)	\$19.00	\$20,000 on member \$10,000 on spouse
III - (Employee & Family)	\$19.00	\$20,000 on member \$8,000 on spouse \$2,000 on child(ren)
IV - (Employee & Child(ren))	\$19.00	\$20,000 on member \$3,000 on child(ren)

Enrollment and Premium Guidelines:

- The \$13.30 single premium is paid by the city; the additional \$5.70 for dependent coverage can be paid by either the city or the enrolled member.
- All enrolled members must have an enrollment card on file. The enrollment card should be kept on file with the fire department. The enrollment card does not need to be returned to TrueNorth® unless it is in the process of filing a claim.
- Complete the **2023 Volunteer Roster** by adding the enrolled members name, coverage class and premium due for that member. At the bottom of the form please count the number enrolled in each class to determine the annual premium due.

PREMIUM NOTE: This policy requires a minimum annual premium of \$250. If the calculated premium is less than \$250, please make your premium payable in the amount of \$250.

Example:

16 firefighters enrolled in Coverage Class I is \$208 in annual premium. The premium payment would need to be \$250 even though there are not additional firefighters covered on the policy.
